

### English

We are continuing with lots of reading in class and completing comprehensions. The children will continue to develop their writing skills and learn new grammar features.

Children need to practise their writing skills at home too.

### Mathematics

The focus this half term the children will be learning about capacity. The children will continue to learn their 3 times table and 4 times tables. The children will learn how to read tables, tally charts and pictograms.

### Science

We will continue to look at materials but how solid materials can change using different forces. The children will take part in many different activities and become more familiar with the enquiry types.

### Computing

The focus will be on drawing pictures. They will use and become familiar with different tools on 2paint.

## Ashfield Valley Primary School

## Year 2 Spring Newsletter 2 2023

We hope you have had a fantastic half term.

### Reminders:

- Please can you read with your child every day and also question them on their understanding. Do not forget to sign their reading records.
- Please continue to learn the facts on the knowledge organisers.

If you have any questions please come in and speak to us.

Many thanks,

Mrs Nisar

Mrs Asad

Mrs Kauser

### History

We will be looking seaside holidays and what holidays were like in the past. The children will come home and ask parents and grandparents what their holidays were like and make comparisons.

### Art

The artist this half term is Barbara Hepworth who is a famous sculpture. The children will use clay to create their own sculptures.

### Physical Education/Outdoor Education

This half term we will focus on invasion games. Children will learn how to play in a team as well as throwing skills and passing skills.

### Religious Education

This half term we will be looking at what Jews believe. The children will learn about the celebrations.
