

English

In English, the children will be doing a lot of writing surrounding the class books, which we will be reading. These include: Secrets of a Sun King, Mysterious Traveller and Cinderella of the Nile.

Mathematics

In maths the children will be recapping many topics this half term including; addition, subtraction, multiplication, division, measures and statistics. Please practice the times tables with your child at home as this will help them to progress.

History

In history the children will be learning about the Ancient Egyptians. They will be learning about who the Egyptians are and what they did.

Art

In art, the children will be learning about the rules associated with Egyptian art. They will create their own drawing inspired by the Egyptian Art they study.

Ashfield Valley Primary School Year 3 Summer 2 Newsletter

Dear Parents/ Guardians,

We hope you have all had a lovely break! Please have a look at the following reminders:

P.E is on a Tuesday afternoon. The children need to bring in their P.E kits every Tuesday morning.

Your child needs to bring in their reading book every day. They should be reading and question them on their understanding for at least fifteen minutes every night.

In class, we will be doing weekly spelling tests. I will keep you updated with the spellings in which your child will need to learn that week.

Your child will be given knowledge organisers for different subjects. Your child will need to read and remember the facts, as they will give them information about the topics we learn in class.

Thank you,

Mrs Gulzar

Mrs Salam, Mrs Jones, Ms Kausar and Miss Cook and

Science

In Science, the children will be learning about plants. The children will be learning about what we need to grow plants and they will try growing their own plant.

Music

In music this half term the children will continue to learn to play the ukulele.

DT

In DT, the children will be making dips and dippers, from a range of ingredients.

Computing

In computing this half term, we will continue to learn about branching databases and then the children will be learning about Simulations.

Physical Education

This half term the children will be working on their dance skills and focusing on their agility, coordination, balance and precision.
