Coronavirus Update

Dear Parents and Carers,

As you will be aware from the media, this is a changing situation with new advice appearing on a daily basis. With that in mind please note the following:

- The latest advice is that absences due to the coronavirus must now be for **14 days**.

Also, please be aware of the following with regards to home learning opportunities:

- For Education City, pupils must log on using the school log-in details first then use their personal log-ins.
- Education City and Purple Mash contain a range of activities for all subjects – please encourage your children to access a wide range of subjects.
- Times Tables Rock Stars will support pupils with good recall of important number facts.
- Class teachers can see who is logging on and which activities are being completed.
- Oxford Owl is a free website to support reading.

The links for all of the websites that we are recommending can be found on the school website under School Information, Home Learning.

Thank you for your continued support during this very challenging time.

Kindest regards
Mrs H Edge
