## Coronavirus Update

Dear Parents and Carers,

As you will be aware from the media, the government has ordered the closure of schools to almost all children from Monday. We are awaiting advice from government and the Local Authority about opening for children of key workers and children with certain needs.

In order to help us plan **for next week** please read the following very carefully:

- Please could you contact school if the main carer could be a key worker. For example, NHS staff, emergency services, others in frontline services. We need you to contact school to fill in a form so that we can assess whether your children will be able to attend school. Please contact school if you are unsure.
- Children who have Free School Meals will be entitled to a school meal when school is closed. This will be a sandwich, biscuit, fruit and water and will need to be ordered for the week by ringing school every Monday by 9.45. The lunch will then have to be picked up at school. I will give more details about this tomorrow.

Please check the school website regularly for information, updates and links for home learning.

Thank you for your continued support during this very challenging time.

Kindest regards  
Mrs H Edge
