Ashfield Valley Primary School

Together Everyone Achieves More

Dear Parents and Carers,

I hope that you and your families are well. Please remember to keep your children at home if they are ill and if they, or anyone in the household, has any of the following symptoms then please make sure that they get a Covid-19 test: a new, continuous cough, a high temperature or a change in or loss of their normal sense of taste or smell. Please contact school if you have any questions about this.

Thank you for your support with the new arrangements for dropping off and collecting your children – it is very calm at these times and we appreciate your co-operation.

Face Coverings

School has been told by the Local Authority that we must ask parents and carers to wear a face covering when dropping off and collecting the children. The Local Authority has said that the local requirement is to wear a face mask in a public place and as school drop off and pick up is considered a public place a face covering is required in line with guidance for the borough.

Data Collection

A data collection form has been sent home to all parents and carers. Please return this to school as soon as possible. It is vital that we have up to date contact information.

Home Learning

I am very keen to know how your thoughts about home learning in the cases of self-isolation or if a bubble is sent home. Please answer the questions below and return the slip below as soon as possible.

Please remember that if you have any questions or concerns to contact the school office and we will be happy to discuss these with you.

Thank you for your support and understanding.

With kind regards

Mrs H Edge

.....
My child/children are in the following year groups (please circle all that apply)

Nursery Reception Year 1 Year 2 Year 3 Year 4 Year 5 Year 6

Do you have a laptop/computer at home that your child/children could use for school work on a daily basis? (please circle)

Yes No

If the children are sent home, would you prefer home learning to be: (please circle)

Learning pack from school (worksheets) online learning a mixture of the two

Any other comments about learning from home?
