

English

In English, the children will be learning how to write sentences based on our stories; Lost and Found and The Gruffalo's Child. They will be writing a letter from the perspective of the penguin.

Mathematics

In Maths, the children will be learning about addition and subtraction. They will also be learning their number bonds to 10 and finding one more and one less than a given number.

Science

In Science, the children will be learning about which materials are waterproof. This will help them when building a boat, linking to our story Lost and Found.

RHE

RHE is the new PSHE. We will be learning about kindness and how important it is to help each other.

Ashfield Valley Primary School Reception Spring 1 Newsletter

Dear Parents/ Guardians,

Here is your curriculum newsletter for this half term.

This newsletter will give you an idea of all of the different things that we will be doing.

P.E is on a Thursday afternoon. The children need to bring in their P.E kits every Thursday morning and take them back home with them at the end of Thursday afternoon.

Your child needs to bring in their reading book every day. They should be reading for at least fifteen minutes every night.

In class we will be doing weekly spelling tests. I will keep you updated with the spellings in which your child will need to learn that week.

Thank you,

Miss Slicker

Mrs Zafar

DT

In DT, the children will be learning about how to make a boat. They will be using different materials to test the suitability of their boats. This links with our book Lost and Found.

Art

In Art, the children will be doing lots of painting and creating with different materials. This includes; creating their penguin and a home for the Gruffalo's Child.

Topic

Topic is History and Geography. The children will be looking at what life is like in the South Pole and comparing it to their lives in Rochdale.

Physical Education

This half term the children will be working on learning a dance routine based on the topic of seasons.
