

## English

In English, the children will be reading stories about farms, including Rosie's Walk and Snore. They will be writing a letter from the farm animals and a diary entry from a farmer.

## Mathematics

In Maths, the children will be consolidating their learning on addition and subtraction. We will also be recognising patterns and comparing lengths of objects.

## Geography

In Geography, the children will be learning about maps. This will be linked to our book Rosie's Walk and the children will be drawing their own map of her journey.

## RE

In RE, we will be learning about Eid and how Eid is an important celebration to Muslims.

## Ashfield Valley Primary School Reception Summer 1 Newsletter

Dear Parents/ Guardians,

Here is your curriculum newsletter for this half term.

This newsletter will give you an idea of all of the different things that we will be doing.

P.E is on a Thursday afternoon. The children need to bring in their P.E kits every Thursday morning and take them back home with them at the end of Thursday afternoon.

Your child needs to bring in their reading book every day. They should be reading for at least fifteen minutes every night.

In class we will be doing weekly spelling tests. I will keep you updated with the spellings in which your child will need to learn that week.

Thank you,

Miss Slicker

Mrs Zafar

## DT

In DT, the children will be creating their own animal homes using a range of different materials. They will be investigating how they can stick their materials together.

## Art

In Art, the children will be doing lots of painting and creating with different materials. This includes; creating their farm scene and the farm animals.

## Science

In Science, the children will be looking at the foods that the different animals eat. They will be also categorising the animals based on whether they are birds or mammals.

## Physical Education

In PE this half term, the children will be working on their striking and fielding skills.
