

Headteacher's Newsletter

25/9/24

Dear Parents and Carers,

Thank you to parents who attended the class welcome meetings. I hope this gave you an insight into how and what your children will be learning this year.

Please note that teachers will be running a lesson drop-in for parents over the next two weeks. You will receive a letter from your child's class teacher with the date for this session shortly. The focus will be reading.

Reception parents will be receiving an invite to a phonics session, and I encourage as many as possible to attend so that you can see how we teach the children to read.

Nut free school

This is a reminder that we are a nut free school. This applies to school dinners and packed lunches. We have several children in school with severe nut allergies so please help us to keep all of our children safe by not sending food items which are nuts or contain nuts. Thank you for your support in this matter.

School dinners

We have had a number of children swapping between packed lunches and school dinners.

Please note that children may only change between school dinner and packed lunch at the start of every half term.

Recovery from sickness

Whilst it is important that children are in school as much as possible, please remember that if your child has vomited or has diarrhoea, then they must stay of school for 48 hours after that last incident.

Applications for Primary and Secondary Places

Please note that it is now possible to apply for a primary school place. This is done online. Parents must apply even if their child attends our nursery.

The process for applying for a high school place has also opened.

Please call at the school office if you would like any support with this.

Nursery Places

We have places in our Nursery. Children may start with us in Nursery as soon as they are three. Our nursery is highly staffed and the staff within the unit are experienced and skilled.

Please call at the office for an application form if you would like your child to join us.

Parking at school

Please remember that parents are not allowed to park on the school site.

Upcoming dates

Thursday 3rd October: census day lunch. You should receive a letter about this.

Tuesday 8th October at 9.15: session for parents to explain the Relationship and Health curriculum

Wednesday 9th October: M6 theatre in school – a letter will be sent out soon

Thursday 15th October at 9.15: meeting for parents about safeguarding and online safety

If you have any questions or concerns, please speak to your child's teacher or either me or Mrs Begum – we will be happy to help.

With kind regards,
Mrs H Edge
