

## English

In English, the children will be reading different Greek Myths. They will read 'Pandora's box' 'The Minotaur' and 'Perseus and the Gorgon's Head.' The children will have lots of opportunities to complete writing pieces about these stories. They will also complete a non-fiction piece of writing about Greek Gods and Heroes.

## Mathematics

Your child will be learning place value into the millions. They will also practise addition, subtraction, multiplication and division reasoning questions. We will also be looking different fraction calculations and converting measurements.

## Science

This half term the children will be exploring the question- 'Can I compare and group everyday materials based on their properties?' They will learn about which materials are best for certain jobs through different types of investigations.

## Computing

The children will be completing different activities about how to stay safe online and they will also be creating their own databases.

# Ashfield Valley Primary School

## Year 5 - Autumn Newsletter 2 -2022

Dear parents/guardians,

This half term the children will be completing lots of fun and interesting activities.

P.E. is on Wednesday so your child will need the correct kit in school on that day. They will bring it home the same day.

Please ensure that your child reads regularly and takes time to study the knowledge organisers for Geography Science and Maths.

The children will be bringing a spelling book home with their own list of spellings to learn. They will be tested on their spellings every week and then given a new spelling list to learn.

It is vital that your child continues to practise times tables and associated division facts regularly.

Many thanks,

Miss Griffin and Miss Dunnett

## History

This half term, the children will be learning all about the Ancient Greeks in History. They will have the opportunity to learn about different Greek Gods and Goddesses, differences between modern and Ancient Greece and about the Ancient Greeks impact upon our lives now.

## Music/Art

In music, the children will be learning about different types of jazz music. They will use a variety of instruments in these lessons to learn about pitch, rhythm and beat.

In Art, the children will be learning how to sketch everyday objects and plants. They will also be sculpting their own clay pot based on Ancient Greek designs.

## Religious Education/RHE

In RE, the children will be learning about how Christians worship and pray.

In RHE, there will be a focus on how to manage conflict, the community and how to deal with death and grieve.

## Physical Education

This half term the children will be completing football lessons in PE. They will learn how to pass and dribble the ball and play football games.
