

English

In English this half term we will be reading two texts: Jayne Eyre by Charlotte Bronte and A Christmas Carol by Charles Dickens retold by Tony Mitton. We will be writing a narrative, a biography and a newspaper report and more.

Mathematics

In maths, we will be learning about prime numbers, factors and multiples; dividing fractions; fractions, decimals and percentages; and area and perimeter. All children have a log in to TT Rockstars which is a great fun way to practise if you have internet access.

Science

This half term the children will be exploring the question- 'How does light travel?' we will be finding out how light travels, how shadows are made and how we see things.

Computing

The children will be learning about internet safety and how to create and use a spreadsheet.

Ashfield Valley Primary School

Year 6 - Autumn Newsletter 1 -2022

Dear parents/guardians,

We would like to extend a warm welcome to your child. It will be a very busy half term as we have a lot to do, but we hope it will be a lot of fun!

P.E. is on Monday so your child will need the correct kit in school on that day. They will bring it home the same day.

Please ensure that your child reads regularly and takes time to study the knowledge organisers for Geography Science and Maths.

The children will be bringing a spelling book home with their own list of spellings to learn. They will be tested on their spellings every week and then given a new spelling list to learn.

It is vital that your child continues to practise times tables and associated division facts regularly.

Many thanks,

Mrs Fry, Mrs Shafqat, Mrs McGrath and Mrs Ghaffar.

Geography

This half term, the children will be learning about how to protect the environment by recycling and using renewable energy as well as the effects of climate change and global warming.

Music/Art

In music the children will be learning about Jazz music.

In art the children will be developing their painting skills and learning about the artist Georgia O'Keefe.

Religious Education/RHE

In RE the children will be learning about In RE, children will be finding out about the concept of Ahimsa which is the ancient Indian principle of non-violence against humans and animals.

This half term in Year 6, we will be having a visit from Greater Manchester Fire Service to learn about fire safety.

Physical Education

This half term the children will be developing their gymnastics skills in PF
